

Following Professor Cockerell's paper, it was moved and carried that a committee be appointed by the Executive Committee to promote the adequate development of the insect collections of the National Museum. Vice-President Felt stated that the committee would be announced at the evening session. The reading of papers continued, as follows:

Entomological Charts.....	Z. P. METCALF
A Guide to a Laboratory Study of the Scale Insects....	R. A. COOLEY
The Food of <i>Drosophila</i> .....	J. P. BAUMBERGER
Observations on <i>Grylloblatta campodeiformis</i> ....	C. GORDON HEWITT
<i>Sarcophaga haemorrhoidalis</i> Larvæ as Parasites of the Human Intestine.....	L. HASEMAN

(On account of the absence of the authors, the last two were read by the Vice-President and the Secretary.)

At 5:10 P. M., the Society adjourned until evening.

At 6 P. M., in company with the Association of Economic Entomologists, in the rooms of the American Museum of Natural History, the society was entertained by the New York and Brooklyn Entomological Societies at a buffet supper; and at 7:30 P. M. reassembled in one of the lecture rooms of the Museum, where the Annual Address of the Entomological Society of America was delivered by Professor T. D. A. Cockerell, on the subject, "Fossil Insects."

On calling the meeting to order, Vice-President Felt announced that the Executive Committee had selected the following committee to promote the adequate development of the insect collections of the National Museum:

T. D. A. COCKERELL, HERBERT OSBORN, H. T. FERNALD, WM. M. WHEELER, JAS. G. NEEDHAM.

The program of the Annual Meeting having been completed, the Society adjourned *sine die*.

(Signed) J. M. ALDRICH,  
Secretary-Treasurer.

#### NOTICE.

In accordance with instructions given me by the Executive Committee at the Annual Meeting in New York City, on December 27, 1916, I have dropped the name of James Sinclair from the list of members of the Entomological Society of America.

J. M. ALDRICH, *Secretary-Treasurer*.

West Lafayette, Ind., Feb. 9, 1917.
